- BREATHE: Making Room for Sabbath (DVD)** **Priscilla Shirer** - One of the greatest challenges among women in our culture is taking time to stop and cease from all the activities and busyness and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. We miss the moments because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. It is time for us to breathe and build margin into our lives for God. In the Old Testament, God instituted principles and laws that would transform the Israelites' mindset. He didn't just want them legally free; He wanted them to be able to walk in the freedom and enjoy it. So God gave them many gifts, including boundaries in which to enjoy those gifts. If you are weary, worn out, and exhausted the concept of Sabbath will change your life. 5 Video sessions on 2 DVDs with Leader Guide and Study Journal.

*SERMON ON THE MOUNT (DVD)

Jen Wilkin - What does it mean to be a citizen of the kingdom of Heaven? Matthew's gospel opens with three chapters containing Jesus' longest recorded message – a sermon given to His disciples early in His ministry to articulate what the life of a Christ-follower would look like. It was a message intended to turn upside down every expectation His closest followers might have. Both practical and profound, the sermon asks of us the same questions it posed to its original hearers: How should a disciple relate to sin? To others? To the Law? How does a disciple think, speak, and act? What is the nature of true righteousness?

In His sweeping depiction of kingdom citizenship, Jesus utters some of the most familiar passages in all of Scripture. Most of us have only encountered the Sermon on the Mount in fragments, considering its subdivisions as complete teachings in their own right – a study on blessedness, a reflection on the Lord's Prayer, a meditation on lilies of the field. But what if we navigated these three chapters as they were originally heard: as one cohesive, well-ordered message, intended to challenge us to think differently about repentance, salvation, and sanctification? This 9-week study does just that. Seat yourself on a mountainside to learn at the feet of Jesus. Ask for ears to hear and a heart to respond to the teaching of our King.
